
AGREEMENT

FOR USE OF PATIENT-DERIVED XENOGRAFT MODELS

I agree to the following policies regarding the use of the patient-derived xenograft models administered by the Center for Developmental Therapeutics and the Developmental Therapeutics Core of Northwestern University:

- Distribution of any patient-derived xenograft model to another researcher or lab is not allowed. This includes internal researchers within Northwestern University.
- The Center of Developmental Therapeutics and the Developmental Therapeutics Core must be acknowledged in the acknowledgment section in any publications resulting from use of patient-derived xenograft models. In addition, the cancer center core grant must also be cited in this same section as "DTC is supported by Cancer Center Support Grant P30 CA060553 from the National Cancer Institute awarded to the Robert H. Lurie Comprehensive Cancer Center."
